A message from the Chair. . .

Our first quarterly Make Leisure Pleasure has proved a resounding success, and everyone has been eager to make sure they don't miss this our 2nd Edition.

As you know the Association received a windfall Pledge from Lymington and Pennington Town Council at the end of last year which we must match fund.

Plans for a major fundraising Project are being put in place, we now have a dedicated Fundraising Team organising many events. We would like to invite all our members and volunteers to join our newly launched 200 Club, which holds a draw on the last Thursday of each month.

Our recent application to the Co-Op has been successful we now feature as one of their local Community Projects. Please can we ask that you sign up to the Co-op and nominate LCA as your chosen charity - then any purchases you make at their stores 1% will come to the Association.

March sees our increasingly popular Craft and Gift Fair on Saturday 24th March and the first "Bunny Run" in Lymington on Sunday 25th March. Donations of cakes, prizes etc for both events are much appreciated.

In May a team of volunteers will be abseiling down the Spinnaker Tower in Portsmouth. The official launch of our Celebrating 70 Project will also be held in May to Celebrate 70 years of the opening of the Malt Hall - keep up to date with events at the Centre or by visiting our new website at www.lymingtoncommunity.com

I would ask you all to please join our fundraising efforts in any way you can by joining the 200 Club, sponsoring the abseiling team; Coming to the Craft Fayre; joining us at the Bunny Run; or alternatively arranging events to raise funds for us. You are more than welcome to join our fundraising team. We need any assistance you can give whether in time or financial - little or large is much appreciated.

Together let's make sure our wonderful Centre is here for the enjoyment of many generations to come. Watch out for more details of all the fundraising activities and please do join in.

I would like this opportunity to thank our newly formed fundraising team and I look forward to working with you all.

Ann Jarman- Chair

The Lymington Community Association is a charity (number 301880), run by a Board of Trustees, elected at the Annual General Meeting. Officers are duly elected from the Trustees. The Board meets regularly throughout the year. Working groups are formed to assist on specific projects as and when necessary.

The Centre is open every day except Sundays and Public Holidays. Normal opening hours are from 9.00am to 10.30pm (not reception), but programme variations may give rise to changes in these times.

The Lymington Centre is run by the Association, non profit making and self-funding. The Centre site, premises and equipment are privately owned by the Association. The Centre is not funded by either Lymington and Pennington Town Council or the New Forest District Council.

This booklet describes the Community Association and the various activities which take place at the Centre.

Lift

There is a lift available for users of the Centre to access the upper floor. This is located by the Robert Hole Room close to Reception.

Induction Loop for the Hard of Hearing

Most of the Centre's larger rooms are equipped with an Induction Loop/PA System, which is of considerable value to the hard of hearing. This equipment is available free of charge but must be booked in advance.

The Volunteers

The Centre is dependent on the help of volunteers. They serve you coffee in the Malt Cafe, pour you a drink in the bar, show you to your seat in the Cinema, keep the gardens tidy and maintain the Centre. We are indebted to them and we thank them for their continuous efforts. We are always in need of further help. Whether you are able to offer your time on a regular or occasional basis we would be pleased to hear from you, on 01590 672337.

The Buildings

The Lymington Centre has grown over the years from its original home in the Malt Hall in 1948. The Association now provides 16 meeting rooms of various sizes which are available to rent on a regular or one off basis. The Fuller/McLellan Hall is a popular venue for parties, public meetings and monthly club events. Dance classes are regularly held in the Phoenix and Wellington Rooms. The Centre Pre-school is in the Normandy Room.

Exhibitions

Exhibitions of many kinds are held in the Centre, by both professional and amateur artists and craftsmen. If you would like to stage an exhibition of your own, or suggest an artist to be considered, then please contact Reception.

Classes

An extensive programme of day and evening classes is arranged at the Centre each season. Many are organised by Brockenhurst College and some are run directly by the Association. Further information about these classes is given in a later section of this booklet.

Book Sales

We are delighted to accept donations of books to be sold for the benefit of the Community Centre. The library shelves in the Walter Simmons Gallery offer a wide selection of books and puzzles, all looked after by Patricia Allott. Book Fairs are held periodically throughout the year. Over £190,000 has been raised since the scheme began.

Catering

Many of the rooms available for hire have a kitchen attached for use by the hirer. These are fully equipped for the purpose. The Association doesn't yet offer a catering service, however we can recommend caterers within the local area who would be able to offer a service.

Safety and Security

First Aid Kits are sited throughout the Centre. Almost all staff have First Aid Training. For serious emergencies a 999 call should be made.

Fire Alarm Bells will sound throughout the buildings in the event of fire.

Call points are positioned at various positions around the Centre. Visitors and Centre users should familiarise themselves with fire precautions and evacuation procedures shown on posters throughout the Centre. Emergency exits must be kept clear at all times. Get out. Get the Fire Services Out. Stay Out!

Electrical Emergency. In the event of a power failure the emergency lighting will switch on automatically.

Security The premises are covered by CCTV surveillance system.

Letting of Rooms and Equipment

See page 7 for a guide to room hire charges. Early enquiry is recommended as rooms are often fully booked, especially during the autumn and winter periods.

Affiliation: Local voluntary organisations may affiliate to Lymington Community Association and thus join in and support its work. Affiliation enables the Association to work in co-operation with other local organisations, to bring them together for discussion on topics of common concern, and it permits the affiliated organisations to use the Association's services. The advantages of affiliation also include reductions in charges for photocopying, hiring rooms and equipment, a share in the control of the LCA by a vote at its AGM, access to advertising facilities and an entry in the roll of affiliated organisations in this booklet. Around 60 local organisations are affiliated. The affiliation fee is £40.00. Further details are available from the Manager.

Community First New Forest

Lymington Healthy Walkers have been walking and talking for 18 months. Our free walks offer a wonderful opportunity to meet people and see the local area from a different perspective. Although the aim is to get a little fitter and to enjoy better general health, the walks offer a chance to catch up regularly with friends made on the walks. Walks are the first and third Tuesday in the month from Bath Road Car Park by the slipway at 10am and last up to 90 minutes.

As numbers have increased on the walks we are also looking for volunteers to train as Walk Leaders. A full day's training is provided absolutely free. If you enjoy walking and would like to know more about the walks or becoming a Walk Leader then please call Jan Barratt on 01425 482773 or 07788 558864 or email healthy-walks@cfnf.org.uk.

We offer LAMDA and Drama Classes to students aged 11+ during term time only. LAMDA is a fantastic opportunity for students who have a real interest in Acting, Devising or Musical Theatre and want to gain formal qualifications. Higher grades of LAMDA also provide UCAS points which will assist in University or Higher Education entry. Part of the session includes a Drama element in which the group will work on a theme for a term. This could range from working on a classical text (Shakespeare) or devising a modern piece as a group or using cameras to create a short TV/Film clip. All of these elements build on the academic study of Drama as well as the performance itself.
